

Dear Parent/Guardian,

Re: Request for food donations for families in our community

Members of staff at Chase Terrace Academy have become increasingly concerned about the impact of Covid 19 on our local community. The school continues to ensure that your child receives the best education possible in the most difficult of times and circumstances. However, we know that this pandemic has affected lives outside of the school environment both socially and economically. It feels essential at this critical time to support each other. The staff from Chase Terrace would like to make an appeal for food donations or essential toiletries that the school can distribute to those who currently are in most need.

We aim to start our collection on Monday 9th November. All items should be brought to the Dining Hall from 8.15 – 8.40 Monday to Friday. This will happen on a weekly basis up until Christmas in the first instance. The Achievement For All students will be on hand to accept any donations at a safe distance with the assistance of a member of staff. These items will be stored and then delivered to families who have been identified as in need.

Your support for our food and essentials donation drive will go a long way in making lives better. Our students cannot concentrate on their studies if they are hungry or worrying about family finances.

We know that you, our Chase Terrace family, will support this initiative and will join together to be part of this worthy cause. We look forward to your contributions and would like to express our thanks as we plan to stand together.

If you require a parcel please do not hesitate to contact the school in the following ways:

Email: k.tooth@cta.staffs.sch.uk

Phone: 01543 682286

Yours sincerely,

L. Wilson, K.Tooth, V. Wilson, A. Vivian.
