

January 2021

Dear Parent(s)/Carer(s),

We know that this is a difficult time for families, especially as the news of school closures happened so suddenly. We understand that financially, January is a hard month, and you may be struggling to feed your children. The government have said that a national voucher scheme will be implemented for Free School Meals children whilst schools are closed, but we currently do not know when this will be set up. We are trying to seek clarification and we will, of course, keep you updated as we find out more information. In the meantime, we have asked Morrisons to help us to provide food hampers to families whose children are eligible for Free School Meals. They have been overwhelmed with the demand nationally, but are doing their best to help us. As soon as we receive the food hampers, we will let you know so that you can arrange to collect it from school.

If you will struggle to collect the parcel, please let us know and we will do our best to deliver to you. However, we do not have capacity to offer deliveries to all families, so this would only be in exceptional circumstances. Morrisons, may not be able to fulfill all of our orders, so if you do not need the food hamper, please can you let us know so that we can offer it to another family who are in desperate need.

Yours faithfully,

Ms L Wilson
Assistant Headteacher
