

March 2022

Dear Parent(s) and Carer(s),

At Chase Terrace Academy we are committed to supporting your child's progress and wellbeing, ensuring their experience with us is a happy and fulfilling one.

The role of the family around each child is critical to their success. We see parents and carers as key partners in their child's learning journey. Therefore, as part of our drive to continue to improve standards we would like to invite you to share your thoughts and suggestions with us. This can be done in two ways –

1. We are giving parents the opportunity of being invited into school to meet with the Head Teacher and Senior Leadership team to share their views. Space will be limited so places for this event will be allocated on a "first come, first served basis" with the first 5 parents from each year group to contact us, receiving an invite.

The event will take place on Wednesday 27th April after school, and invites will be for a half hour slot between the hours of 4.30 and 6.30pm.

2. There is a survey available for all parents to express their thoughts which can be accessed by using following the link - <https://forms.office.com/r/DZBQ3nns6v>

The closing date for applications requesting an invitation to our Parental Consultation evening is Wednesday 6th April 2022, please apply using the link above.

We look forward to receiving your comments and working together to further develop Chase Terrace Academy as a safe, happy learning environment for your child.

Yours sincerely,

Mrs L Finch
Academy Progress Lead
