

June 2022

Dear Parent(s)/Carer(s),

Please find enclosed your child's full report for Year 12.

The enclosed document includes your child's target grade for each of their subjects. This is based on the grades that they achieved in their GCSEs. The Working at Grade (WAG) is the grade that all of your child's work to-date has been awarded, including assessments. The document also includes a 'mock grade' which is the grade achieved in the recent mock examination only. It does not take into account any coursework or controlled assessment. The prediction is what the teacher for each subject area believes your child is on track to achieve once the course has been completed and any necessary support and intervention has taken place. If your child studies ICT or Applied Science then these subjects are graded as pass (P), merit (M) or distinction (D).

The report also includes an 'Attitude to Learning' grade which is on a scale of 1 to 4. This takes into account the level of effort and commitment applied to an individual's studies in lessons, as well as their completion of homework and wider independent study. A grade of 1 indicates that a student is doing everything that is required of them inside and outside lessons, often going above and beyond expectations. A grade of 4 would indicate that there are serious concerns about the efforts of an individual and that this is having an impact on their progress.

If you have any questions to raise with an individual subject area, please contact the subject leader named on the reverse of the report.

Yours faithfully

Mr J. Cain
(Deputy Headteacher)
