

January 2023

Dear Parent(s)/Carer(s),

I am pleased to introduce myself as new Deputy Headteacher leading on Culture and Personal Development, Mr Newman.

As Deputy Headteacher for Culture and Personal Development I am responsible for overseeing the pastoral care and personal development of all of our pupils. This includes their social, emotional and behavioural well-being.

We believe that strong pastoral care and personal development are essential components of a well-rounded education, and we are committed to providing our pupils with the support they need to succeed. For this, we need your support too. A strong partnership between families and school is essential to enable your children, our students, to grow into ambitious, respectful and kind young adults.

As Ms Mason informed you in the headteacher update I am currently working with students, staff and Governors in relaunching our school values and will shortly be sending a Microsoft Form link via 'My Child at School' asking for feedback regarding this, we would be grateful if you could complete this form to ensure we capture your voice; representing your opinions and values.

Yours sincerely,

Mr M. Newman
Deputy Headteacher
