

# My KS3-KS5 History Learning Journey:

Whilst our curriculum takes students on a chronological journey through time, themes take centre stage and are interweaved throughout our curriculum: from Magna Carta to Civil Rights, medieval kings to the rise of Fascism, and the Crusades to 9/11, students experience a rich and diverse history curriculum.

**Research Topic (Russia, African American Civil Rights or Organised Crime)**  
**Weimar & Nazi Germany**
