KNOWLEDGE ORGANISER

Programme music is descriptive, suggesting visual images or 'telling a story'. The descriptive idea or storyline is known as the programme.

Instruments and common associations (Musical Cliché's)

- Woodwind Natural sounds such as bird song, animals, rivers
 - Brass Soldiers, war, royalty, ceremonial occasions
 - Tuba Large and slow moving things
 - Harp Tenderness, love
- Glockenspiel Magic, fairy tales
- Timpani/Drums War, fighting, thunder
- Strings Often used to portray emotions: passion, grief etc.

Elements of music can be used in different ways in order to set a specific mood or feeling, paint a picture or tell a story.
