June 2025

Dear Parents/Carers,

RE: DROP – DOWN DAY INFORMATION

We are pleased to inform you about our upcoming Personal Development Drop-Down Day, taking place on Wednesday 25th June. This day is centred around our core value of community and aims to provide pupils with the support and guidance they need to navigate key challenges in today's world.

Throughout the day, pupils will take part in activities and discussions tailored to their year groups, focusing on how they represent themselves and are perceived within the local community. Our goal is to foster a strong sense of belonging and responsibility, helping pupils understand the impact of their actions and encouraging positive contributions to our community.

We are delighted to partner with several local agencies who will be working with different year groups, sharing their expertise on community values and engagement. Their insights will further enhance pupils' understanding of the importance of respect, responsibility, and active participation within the wider community.

We strongly believe that by focusing on these areas, we can help our pupils to develop the skills and mindset needed to thrive both in school and beyond. Your support in reinforcing these values at home is invaluable, and we truly appreciate your partnership in this effort.

Planned activities for all year groups will include outdoor sessions focused on developing team-building skills. To take part comfortably and safely, pupils are expected to wear their CTA PE Kit for the day. With warm weather forecast, we also recommend that pupils apply sun cream and bring a bottle of water.

If you have any questions or would like further information about this Drop-Down Day, please do not hesitate to contact us.

Thank you for your continued support.

Mr D Inman
Assistant Headteacher
