Dear parent/carers,

RE : UNIFORM

As we approach the end of the school year it is important that we continue to maintain high standards and expectations of pupils, both in terms of their behaviour, and in their uniform and appearance.

During an assembly last week, we clearly set out the standards expected with uniform. The expectation is that if a pupil is challenged on their uniform, we will support with correcting their uniform and communicate this with parents/carers.

A copy of the uniform policy can be directly downloaded from [here](#).

Alternatively, it can be accessed via the school website:

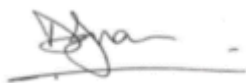

<https://chaseterraceacademy.co.uk/policies-2024/>

We recognise at this time in the school year that some uniform may need replacing and that some of our families may wish to wait until the start of the new academic year to replace it. To support with this, we have several items of uniform that pupils can access in school to maintain uniform standards until the end of the year. If you require any help or assistance, please contact your child's Head of Year. The contact details are on our website [here](#).

It is important that all uniform standards are met. If you foresee this causing any problems, please contact your child's Head of Year to discuss the matter as soon as possible. Pupils who repeatedly do not comply with our uniform policy will receive a sanction.

Thank you in anticipation of your continued support.

Yours Sincerely,

Mr D Inman
Assistant Headteacher
