July 2025

Dear parent/carer,

RE : EXAMINATION RESULTS DAYS 2025 – Information for pupils

A Level:

Results will be available at 8:00am on Thursday 14th August 2025 in the library – please enter via main reception. Staff will be available in school from 8:00am to deal with any specific exam/careers related guidance you may require.

GCSE:

Results will be available at 9:00am on Thursday 21st August 2025 in the library – please enter via main reception. Staff will be available in school from 9:00am to deal with any specific exam/careers related guidance you may require.

Should you wish for your results to be posted out, please bring in a stamped, self-addressed envelope before Friday 18th July, and they will be posted out on results day. These cannot be posted out before 8am on this day. If candidates would like their results sent via email, please send an email to exams2025@chaseterraceacademy.co.uk from the email address to which you would like the results to go.

Results will not be given out by telephone unless by special prior agreement with the Exams Officer.

On results day, you will receive a 'Statement of Results' - this is not your final certificate. The statement lists all the exams you have taken and any components within the qualification. A capital letter indicates an overall grade. (Certificates are received in school early November, and once checked, you will be notified they are available for collection from school main reception). Uncollected envelopes will be available from the school reception from Monday, 1st September.

POST RESULTS SERVICES:

All Reviews of Marking should first be discussed with the relevant Head of Department and/or Subject Tutor who will advise on the viability of such a request. In the school's experience, it is unusual for marks to change upwards by more than a marginal amount. However, the school reviews the marks that your child and others have achieved and will advise candidates if we feel there is an anomaly and that the paper should be reviewed.

If we are concerned about results received for a particular subject, the school itself will request a review of marking of all those papers (with the candidate's consent). It is important to note that grades can go down as well as up, and this needs to be carefully considered when discussing a review of marking. Should you wish to proceed with a Post Results Service, the consent form and information will be included in your results envelope.

If you have any questions or requests regarding the results process, please contact exams2025@chaseterraceacademy.co.uk

Yours Sincerely

Mr J Cain
Deputy Headteacher
