October 2025

Dear Parent(s)/Carer(s),

RE: YEAR 12 PARTNERSHIP EVENING

We are pleased to invite you to our Year 12 Partnership Evening on Wednesday 15th October 2025, from 6:00pm to 7:40pm.

The purpose of this event is to provide key information about the transition into Year 12 and to offer guidance on post-18 options, including the wide variety of career and education pathways available.

The evening will commence in our New Hall (Dining Room) with a presentation from our Sixth Form team. We are also delighted to welcome a representative from a national employer offering apprenticeships across a wide spectrum of industries including quantity surveying, communications, marketing, procurement, business administration, and more. Joining them will be one of our former pupils, who will share their personal journey through a degree apprenticeship, offering valuable insights and reflections on their experience.

Following the presentation, you and your child will have the opportunity to speak with a range of external providers, including universities and local employers, to explore future pathways and opportunities.

If you plan to attend the event, please click this link to complete a short form, which will help us with the planning of the evening.

We would appreciate responses to the form by Monday 13th October and look forward to seeing you there.

Kind regards,

Miss J Devereux
Assistant Headteacher
