March 2026

Dear parent/carer,

RE: REVISION SESSIONS DURING THE EASTER BREAK

As we approach the summer examinations, our Year 11 students are working very hard, and staff are continuing to do all they can to support them in making their final preparations.

Some subjects are offering revision and/or booster sessions during the Easter holiday. Please find attached a schedule which provides further information on those subjects where sessions are running.

If students wish to attend, they should arrive at reception at the time specified, sign in and go directly to the appropriate classroom. If any sessions run over the lunch period, students should bring a packed lunch as there will be no catering facilities available.

Once the session students are attending has finished, they should sign out and leave the site immediately. The timetable for the sessions is attached on the next page.

After school sessions will continue to run during the coming weeks and after the Easter break. Students will also continue to be set targeted revision work through their lessons in the run up to the final examinations.

Yours faithfully,

Mr J Cain
Deputy Headteacher
