

May 2026

To whom it may concern,

RE: SUMMER UNIFORM ARRANGEMENTS

As we approach the warmer months, and in taking note that the last couple of summers have been exceptionally warm, we would like to inform you that students will be given the option to wear an adjustment as summer uniform from Monday 1st June 2026 until Monday 20th July 2026.

The summer uniform will consist of:

- P.E. polo shirt
- Trousers or a skirt (as per usual uniform)
- School blazer (to continue being worn)
- School shoes (as per usual uniform)

Students have the choice of wearing their P.E polo shirt, or if they would prefer, they can continue to wear their shirt and tie. All other aspects of the school uniform remain non-negotiable and should be adhered to.

During periods of exceptionally hot weather, we will review uniform expectations and communicate any temporary adjustments to you in advance.

We also kindly remind parents and carers to ensure that students:

- Bring a bottle of water to school each day
- Apply sun cream before school during warm weather

During the warmer weather it is especially important that students make use of the routines in place to support them during the school day; using social time to use the toilet, allowing adequate time from leaving the field to get to lessons on time whilst allowing time to fill up water bottles and ensuring they are ready for their lessons, learning time is not to be used for these routines.

Thank you for your continued support in helping us keep students safe, comfortable and ready to learn.

Yours sincerely,

Mr M. Newman
Deputy Headteacher
