

2nd March 2026

Dear Parents and Carers,

I am delighted to welcome you and your child to the Chase Terrace Academy community.

Community is at the heart of everything we do. Alongside our core values of Respect, Aspiration and Tenacity, it shapes the culture and ethos of our school. These values underpin our commitment to educating and developing young people, ensuring they are fully prepared to thrive in the wider world beyond their formal education.

The transition from primary school to secondary school is an exciting milestone, and we are committed to making this journey as smooth, supportive, and positive as possible for every pupil. We understand that this is a significant step for both children and families, and our staff are here to guide you every step of the way.

Over the coming months, we will provide a range of transition activities designed to help your child feel confident and prepared. These will include transition days, meet and greet opportunities in your child's primary school and information evenings where you will learn more about our curriculum, pastoral support systems, and enrichment opportunities.

Key dates for your diary:

Monday 29th June 5pm – 7pm: Year 6 parent/carer information evening

Wednesday 1st July: Year 6 transition day

Effective communication is essential in ensuring that pupils feel fully supported as they begin the next stage of their educational journey, and that parents and carers feel equally informed and reassured. Further information will be shared in due course. In the meantime, if you have any questions or require any support, please do not hesitate to contact me, Mrs Scholes (Head of Year), or Miss Grave (Student Support Officer) on transition@chaseterraceacademy.co.uk

Thank you for choosing Chase Terrace Academy. We are excited to welcome our new Year 7 cohort and begin this important journey together.

Yours faithfully

Mrs E Scholes
Head of Year
