Dear Parent(s)/Carer(s),

RE: YEAR 11 INTERVENTION SESSIONS

We have been incredibly impressed with the tenacity and commitment our Year 11 students have shown on their return to school. Maintaining this attitude and work ethic in the run up to the end-of-year examinations is going to be vital to ensure that all our students have the best chance of success in the summer.

Staff are working hard in lessons with students to complete the delivery of course material, however, there is now an increased expectation and need for students to continue this work beyond the normal school day. It is essential that all students engage in a programme of revision during the course of the year to prepare for trial and final examinations. We will of course support students in doing this by setting appropriate revision tasks and developing these skills in lessons – we will also be preparing students through personal development time and in assemblies.

The trial examinations are due to begin on 9th November and students will sit examinations in almost all subjects. Further details and a timetable will be sent out in due course. There will also be further details and guidance on how you can support your child with the revision process, and exams in general, at our Year 11 Partnership Evening on 24th September – more details on that to follow too.

Our intervention programme begins next week and there will be a range of sessions running after school from Tuesday to Friday, as well as during the lunch break. It is an expectation that all of our Year 11 students attend intervention sessions from Tuesday to Thursday. Further details about which sessions run when can be found on the intervention section of the website here:

<https://chaseterraceacademy.co.uk/school-life/intervention/>

Students may be required to attend more than one subject on the same evening. In this situation, staff will liaise over which session takes priority. This is likely to depend upon current progress being made and/or those subjects where there may be deadlines approaching.

Thank you for your support.

Yours faithfully

Mr J Cain
Deputy Headteacher

Chase Terrace Academy Year 11, 12 and 13 Support Timetable:

Autumn Term 2026

The following support sessions will run for pupils at lunchtime and after-school during this academic year. It is an expectation that all Year 11 pupils attend a session after school on Tuesday, Wednesday and Thursday. Where there is more than one session in the same subject, pupils will be told which they need to attend.

Where a pupil is required to attend more than one subject, they will be notified which takes precedence based on current performance levels. After-school sessions will finish between 3.30pm and 3.45pm, unless the pupils are told otherwise. Art and photography sessions will run until 4.00pm.
